

Just like your home, your front door speaks volumes about you. Our inspirational design team has created a range of effortlessly elegant options to transform everyday doors into beautiful doors of distinction.

# Door Options

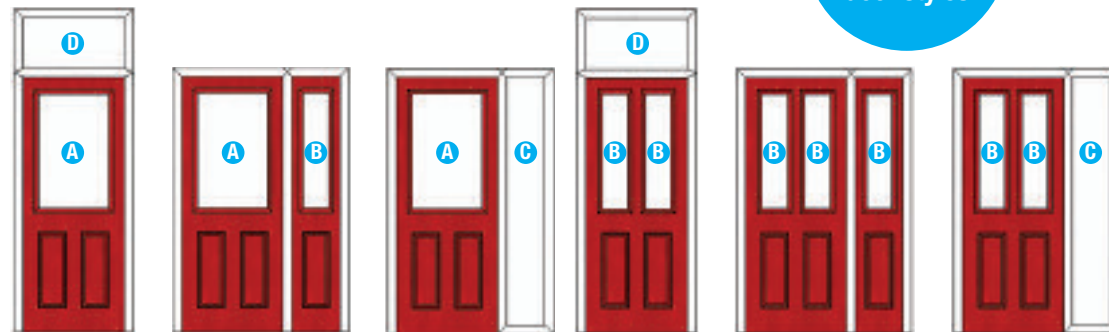

Whether you live in a traditional or contemporary home, you'll discover an extensive range of breathtaking designs created to mirror your personal taste and the unique character of your home. Although the many styles illustrated in this brochure feature the increasingly popular and durable GRP composite doors, our designs can easily be adapted to suit PVCu and traditional timber doors.

When you want to make a great first impression, a beautifully crafted entrance door has the power to elevate a humble door into a distinctive architectural feature that may include attractive sidelights or an eye catching, stylishly glazed toplight.

When you choose a Decorative Elements design, you can be confident that you never have to sacrifice the warmth, security and excellent sound insulating properties that have made our beautiful glazed features not only aesthetically pleasing but also eminently practical.

Perfect for Composite, PVCu or Timber door styles
